In addition, City policy prohibits retaliation because of the employee's opposition to a practice the employee reasonably believes to constitute employment discrimination or harassment or because of the employee's participation in an employment discrimination investigation, proceeding or hearing. The City's full policy against unlawful harassment, discrimination, and retaliation will be set forth in an administrative policy.
- C. **Disabled Applicants and Employees.** The City has a commitment to ensure equal opportunities for disabled applicants and City employees. Every reasonable effort will be made to provide an accessible work environment for such employees and applicants. Employment practices (e.g., hiring, training, testing, transfer, promotion, compensation, benefits, and discharge) will not discriminate unlawfully against disabled applicants or employees. The City

Reasonable accommodation can include, but is not limited to job restructuring, reassignment to a vacant position for which the employee is qualified, and making facilities accessible.
2. Reasonable Documentation of Disability. Following receipt of the request, the Administrative Services Department may require additional information, such as reasonable documentation of the existence of a disability or additional explanation as to the effect of the disability on the employee's ability to perform his/her essential functions, but will not require disclosure of diagnosis or genetic history.
3. Interactive Process. The City will engage in the interactive process, as defined by the FEHA and ADA, to determine whether an applicant or employee is able to perform the essential functions of his/her position. During this process, the City will examine potential reasonable accommodations that will make it possible for the employee or applicant to so perform. Such interactive process will include a meeting with the employee or applicant, the City, and, if necessary, the employee or applicant's health care provider.
4. Case-by-Case Determination. The City determines, in its sole discretion, whether reasonable accommodations(s) can be made, and the type of reasonable accommodations(s) to provide. The City will inform the employee of any decisions made under this section in writing.
5. Fitness for Duty Leave. While the City is engaged in the interactive process with an employee, the City may require that the employee be placed on a fitness for duty leave in accordance with Rule XI.M.

RULE IV. CLASSIFICATION.

- A. Preparation of Plan. The Personnel Officer shall ascertain and record the duties, responsibilities, minimum standards, and minimum qualifications of all positions in the City and shall recommend a classification/compensation plan for all positions. The classification/compensation plan need not be contained in only one document, but may be comprised of various documents. The

classification/compensation plan shall consist of classes of positions defined by class specifications, including the title. The classification/compensation plan shall be so developed and maintained that all positions substantially similar with respect to duties, responsibilities, authority, and character of work are included within the same class, and that the same schedules of compensation may be made to apply with equity under similar working conditions to all positions in the same class. The classification/compensation plan will contain the general salary schedule and a general benefits schedule.

- B. **Adoption, Amendment and Revision of Plan.** The classification/compensation plan shall be adopted by and may be amended from time to time by resolution of the City Council. At the time of consideration by the City Council, any interested party may appear and be heard.
- C. **Allocation of Positions.** Following the adoption of the classification/compensation plan, the Personnel Officer shall allocate every position in the employ of the City to one of the classes established by the plan.
- D. **New Positions.** A new position shall not be created and filled until the classification/compensation plan has been amended to provide for such position.
- E. **Reclassification.** Positions, the assigned duties of which have been materially changed by the City so as to necessitate reclassification, whether new or already created, shall be allocated by the Personnel Officer to a more appropriate class. Reclassifications shall not be used for the purpose of avoiding restrictions concerning demotions and promotions, or to effect a change in salary in the absence of a significant change in assigned duties and responsibilities.

RULE V. COMPENSATION

- A. **Salary on Appointment.**
 - 1. **New Employees.** New employees shall be paid at the first step of the salary range for the position to which the employee is appointed except as approved by the City Manager or his/her designee.
 - 2. **Advanced Step Hiring.** The City Manager may appoint a new employee to an advanced step of the pay range if it is determined that qualified applicants cannot be successfully recruited at the first step of the salary range.
 - 3. **Reemployment/Reinstatement.** A person who previously held a position with the City and resigned in good standing may, at the discretion of the City Manager, when re-employed in the same or a comparable position held at separation, be appointed at the same salary rate which was paid at the effective date of the person's termination or the nearest lower applicable step for the range to which the person is appointed.

- B. **Salary Anniversary Dates.** Employees shall have a salary anniversary date on the date of his/her most recent appointment, promotion, demotion, reinstatement or reemployment. The salary anniversary date may be modified by the action of the appointing authority under Rule IX.H.
- C. **Increases Within Salary Range.** Employees will normally become eligible for a merit adjustment in pay after 12 months of service. Increases shall not be automatic, and are based on merit. The adjustment shall be made only if recommended by the applicable Department Head, and, if approved, by the City Manager. The subsequent adjustments are based on performance evaluation, to encourage an employee to perform at his/her highest level, and to recognize increased skill on the job. Employees are normally eligible for these adjustments any time after the completion of 12 months of service. This period may be modified in conjunction with the performance evaluation recommendations and as approved by the City Manager. Unless so modified, a granted merit adjustment will be effective on the employee's salary anniversary date. The City Manager, in his/her sole discretion, may determine that an increase within range will be retroactive in effect to the employee's salary anniversary date or to another appropriate date.
- D. **Salary Upon Promotion.** Except in instances where the granting of a full step increase would result in a salary in excess of the top step of the range, any employee who is promoted to a position in a class with a higher salary range shall be placed on the step in the new higher range which is at least equal to an advancement of a full step over the step he/she held in his or her former range. If the maximum of the range would be exceeded by such advancement, the employee shall receive the top step of the range. An employee thus promoted is assigned to a new salary anniversary date effective on the date of promotion.
- E. **Salary Upon Transfer.** Any employee who is transferred from one position to another position in the same class, or to another position in a class having the same salary range, shall be compensated at the same step of the salary range as he/she previously received and his/her salary anniversary date shall not change.
- F. **Salary on Change in Range Assignment.** Whenever a class is reassigned to either a higher or lower salary range by the Council, the salary of each incumbent in such class on the date the reassignment is effective shall be adjusted to the salary position in the new range that corresponds to the salary he/she was receiving in the former range and he/she shall retain the same salary anniversary date.
- G. **Salary on Reallocation of Position.** If the position is reallocated to a class having the same salary range, the salary and the salary anniversary date of the incumbent shall not change. If the position is reallocated to a class which has a higher salary range, the City Manager shall adjust the salary of the incumbent employee to fit the higher salary range which is at least as much as he/she was

receiving in the former range and he/she shall retain the same salary anniversary date. If the position is reallocated to a class with a lower salary range, and the employee's salary exceeds the top step of the class to which his/her position is reallocated, his/her salary shall not change until it is exceeded by the top step of the class. The employee's salary anniversary date shall not change.

- H. **Salary on Demotion**. Any employee who is demoted to a position in a class with a lower salary range shall have his/her salary adjusted by one the following three methods:
1. If a disciplinary demotion, the employee's salary may be reduced. A new salary anniversary date shall be established on the basis of the demotion.
 2. If a non-disciplinary demotion, the employee's salary may be reduced. He/she shall retain his/her salary anniversary date.
 3. In the discretion of the Personnel Officer, a demoted employee's salary may be y-rated. A y-rated salary is one that is paid above the maximum established salary range for the incumbent's classification. An employee whose salary is y-rated will retain his/her current rate of pay until such time that the class has a higher maximum salary rate.
- I. **Acting Pay**. An employee who is required on the basis of an acting appointment to serve in a class with a higher salary range than that of the class in which he/she is normally assigned, shall receive the entrance salary rate of the higher salary range or one rate higher than the rate he/she normally receives, whichever is greater, provided the employee shall perform all the duties and assume all the responsibilities of the higher class, and only after the employee has served for 10 consecutive working days in the higher classification.
- J. **Special Salary Adjustments**. Notwithstanding anything in these personnel rules to the contrary, in order to correct gross inequities, or to reward outstanding achievement and performance, the City Manager may adjust the salary rate of an incumbent of a particular position to any step within the salary range for the class to which the position is allocated.
- K. **Pay Periods**. The salaries and wages of all employees shall be paid bi-weekly. In the event a payday falls on one of the holidays listed in these personnel rules, or on a Saturday or Sunday, the immediately previous working day shall become the payday.
- L. **Severance Upon Termination**. Upon termination without cause of employees in the executive classification, as defined in the Benefits Ordinance, or Department Heads, such employees shall be entitled to payments as follows:
1. **Amount of Severance Pay**.

a. Employees in the executive classification, as defined in the Benefits Ordinance, shall receive a payment equivalent to 180 days of base salary.

b. Department Heads shall receive a payment equivalent to 90 days of base salary.

However, in no event shall the total cash value of the Severance Pay exceed the value of the employee's monthly salary multiplied by eighteen (18), or multiplied by the month's remaining in employee's term, whichever is less.

2. Reimbursement Upon Conviction of Abuse of Office. In the event any employee is convicted of any crime involving an abuse of the employee's office or position, as defined by California Government Code Section 53243.4, the employee is not entitled to receive Severance Pay, and must reimburse the City for any Severance Pay received.
3. Effect of Termination for Cause. If an executive employee or a Department Head is terminated for cause, he/she shall not be entitled to receive severance pay.

RULE VI. APPLICATIONS, RECRUITMENT AND EXAMINATIONS

- A. **Vacancies.** Except for the City Manager, Department Heads, Assistant City Manager, Deputy City Manager, and/or Assistant to the City Manager positions, vacant positions may be filled only by selection from an eligibility list, by acting appointment, by transfer, by reinstatement, or by demotion. Selection of all other employees is made by the Department Head for the position, subject to approval by the City Manager.

The City Council shall select the City Manager. The City Manager shall select the Department Heads, Assistant City Manager, Deputy City Manager and Assistant to the City Manager. These positions may be filled by the method selected by the City Council or the City Manager to obtain the best candidate for the position. The provisions of this Rule are inapplicable to the filling of vacancies in those positions.

- B. **Announcement of Vacancies/Acceptance of Applications.** When a position becomes vacant, the applicable Department Head shall notify the Personnel Officer. All positions shall be publicized by such methods as the Personnel Officer deems appropriate. The announcements shall specify the title and pay range of the class; the nature of the work to be performed; the experience and education requirements; the knowledge, skills, and abilities desirable for the performance of the work; how to apply; the application deadline date; that a post-offer, pre-employment physical examination is required, which may include a drug test; that a criminal background check is required through the submission of fingerprints; and other relevant information. Applications will also be available in

the office of the Personnel Officer. Applications will be collected by the Personnel Officer until the closing date for acceptance of applications.

C. **Disqualification of Applicants.** The Personnel Officer may reject any application which indicates on its face that the applicant does not possess the minimum qualifications required for the position, or because the applicant has failed to timely submit the application, fully complete the application, or submit all required materials.

D. **Ineligibility for Employment.** Further examination or consideration for employment of any applicant may be discontinued, and any employment of any person may be terminated, when any of the following has been determined to the satisfaction of the Personnel Officer:

1. Who does not meet the minimum qualifications established for the class or position to which they seek appointment;
2. Who has made a false statement, misrepresentation, or omission of material fact, or actual or attempted deception, fraud or misconduct in connection with his/her application;
3. Who has failed to submit a complete application within the prescribed time limit;
4. Who has directly or indirectly obtained information regarding examinations to which applicants are not entitled;
5. Who has been convicted, including pleas of guilty and nolo contendere, of any felony or misdemeanor, which was of such a nature as to reflect adversely and substantially on the applicant's ability to perform the duties of the position. The City Manager may disregard such convictions of felonies or misdemeanors if it is found and determined by the City Manager that mitigating circumstances exist. In making such determination, the City Manager may consider the classification, including sensitivity, to which the person is applying or being certified and whether the classification is unrelated to the conviction; the nature and seriousness of the offense; the circumstances surrounding the offense; the length of time elapsed since the conviction; the age of the person at the time of conviction; the presence or absence of rehabilitation or efforts at rehabilitation; and/or contributing social or environmental conditions.
6. Who has otherwise violated provisions of these Personnel Rules.

In addition, applicants with the least desirable background or qualifications among a large number of applicants may be denied further participation in the selection process through an evaluation of their qualifications, thus providing a reasonable number of the best qualified candidates for consideration.

Applicants disqualified from further participation in the selection process will be promptly notified to permit submission of additional information provided that the time limit for receiving applications has not expired. Notice will be mailed to the last known address and/or will be emailed to the email address provided by the applicant on his/her application; it will be the applicant's responsibility to keep his/her current physical address and email address on file. Whenever an application is rejected, the Personnel Officer will mail and/or email notice of such rejection to the applicant.

E. **Selection Process.**

The selection process shall be impartial and relate to those subjects which, in the opinion of the Personnel Officer, fairly measure the relative capacities of the applicants to execute the duties and responsibilities of the class to which they seek to be appointed. The selection process may include but is not necessarily limited to achievement, aptitude, and other written tests, personal interview, performance tests, physical agility tests, evaluation of daily work performance, work samples, criminal background check (after the City has determined that the applicant meets the minimum qualifications of the position), medical tests (possibly including a drug test), successful completion of prescribed training, or other selection techniques as determined by the Personnel Officer. The selection process shall be designed to provide equal opportunity to all candidates by being based on an analysis of the essential requirements of the class, covering only factors related to such requirements. The City also retains the right to conduct a thorough background check of each applicant.

The Personnel Officer may enter into a contract with any competent agency or individual for the preparing and/or administering portions of the selection process. If the Personnel Officer does not contract these duties to an agency or individual, then the Personnel Officer shall ensure that such duties are performed.

F. **Creation of Eligibility List.** As soon as possible after the completion of a recruitment, the Personnel Officer shall prepare and maintain an eligibility list consisting of the names of candidates who qualified as finalists. Eligibility lists shall remain in effect for up to 12 months unless the Personnel Officer abolishes the eligibility list after determining that the abolition of the list is in the best interest of the City. The name of any person appearing on an eligibility list shall be removed by the Personnel Officer if the person requests in writing that his/her name be removed or if the person fails to respond to a notice of certification mailed to the last designated physical address or emailed to the last designated email address. Persons on eligibility lists as a result of an internal recruitment who leave the service of the City for any reason shall automatically be dropped from such lists.

G. **Physician's Examination.** All job applicants are required to submit to a physician's examination at the City's expense upon being made a conditional

offer of employment. As set forth in more detail in the City's Drug-Free Workplace Policy, the physician's examination shall include a drug and alcohol test for positions that are (1) safety-sensitive; or (2) involve a position of influence over children. When a drug and alcohol test is required, applicants shall be made aware of that in the announcement published under Rule VI.B. No job commitment shall be made until a negative drug screen result is obtained and a physician has certified that the applicant is medically qualified to perform the essential functions of the position. When the applicant reports to the medical facility for the scheduled examination, personal identification shall be provided to the facility in the form of a photograph and verifiable signature (for example, a driver's license). All test results will be kept confidential. The applicant will be told whether the tests were passed or failed, but only the Personnel Officer and his or her assistant will have access to the test results. If required, the drug/alcohol examination shall be administered in accordance with the City's Drug-Free Workplace Policy.

RULE VII. APPOINTMENTS

- A. **Appointment of New Employee**. The hire date of a new employee shall be that of the first day actually worked.
- B. **Provisional Appointments**. It shall be the policy of the City to require all Department Heads and other appointing authorities, whenever possible to notify the Personnel Officer, of impending or anticipated vacancies in their departments sufficient in advance so as to allow for the establishment of an appropriate eligibility list. However, when the demands of the services are such that it is not practicable to give such notification and if it is not practicable to delay appointment until a new eligibility list can be certified, the appointing authority may make a provisional appointment to the position, in accordance with the following:
1. As soon as practicable, but not longer than six months after a provisional appointment has been made, the Personnel Officer may cause an examination to be prepared, and all positions filled provisionally shall be filled by an appointment from an eligibility list.
 2. A person appointed to a position on a provisional basis shall not be entitled to credit for the time served under the provisional appointment toward if the employee is awarded the position on a non-provisional basis.
 3. No special credit shall be allowed in any examination or the establishment of any eligibility lists for services rendered under a provisional appointment.
 4. Except for retired annuitants, no person shall be employed by the City under provisional appointment for a total of more than six months in any

fiscal year except that the Personnel Officer may extend the period of any provisional appointment for not more than 90 days by any one action; provided; however, no provisional appointment shall cause any person to work more than 960 hours (if paid on an hourly basis) or 125 days (if paid on a per diem basis) in a fiscal year.

5. A person who has retired from a CalPERS employer (“retired annuitant”) may only be appointed to a provisional appointment when all of the following conditions are met:
 - a. The City can show the retired annuitant has previous experience and the skill set needed to perform the work required.
 - b. The appointment is made to fill a vacant position during the recruitment to permanently fill the vacancy, or during an emergency to prevent stoppage of public service. A recruitment to permanently fill the vacant position must be open before the retired annuitant is appointed.
 - c. Retired annuitants cannot begin employment before the 181st day after their retirement date, unless the City certifies the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days has passed, and the City Council approves the appointment in a public meeting. The appointment may not be placed on a consent calendar.
 - d. If the retired annuitant is under the normal retirement age, he or she must have a bona fide separation in service. Further, the retired annuitant must not have received unemployment insurance payments for retired annuitant work with any public employer within the 12 months prior to the date of the provisional appointment, and he or she must certify to this in writing to the City.
 - e. A retired annuitant may only be appointed once to the position. Provisional appointments of retirees must specify a beginning date and an end date for the appointment, and the appointment term must not result in the retired annuitant working more than a combined 960 hours in a fiscal year for all CalPERS employers. If a retired annuitant works more the 960 hours in a fiscal year, he or she must be reinstated. The Personnel Officer may not extend any provisional appointment of a retired annuitant, and must ensure the retired annuitant does not exceed the 960 hours limit.
 - f. The rate of pay for the retired annuitant must fall within the monthly rate of pay range for the vacant position, and he or she may not receive any other benefit, incentive, compensation in lieu of benefits, or other form of compensation in addition to this base rate.

The City ensures the retiree is enrolled as a retired annuitant with CalPERS and that the pay rate and hours worked by the retired annuitant are reported to CalPERS.

- C. **Acting Appointments to a Higher Class**. An acting appointment may be made to a higher class or position occupied by a person on temporary leave or disability. Such acting appointment shall not exceed six months. The Personnel Officer may extend acting appointments for successive 30-day periods. Acting appointments shall be made in accordance with the provisional appointments section of these personnel rules. Upon the return of the incumbent from leave or disability, the acting appointment shall be immediately terminated, and the appointee shall resume regular duties, compensation and privileges as if he/she had continued his/her duties in his/her regular classification.
- D. **Reinstatement**. With the approval of the Personnel Officer, an employee who has completed at least 12 months of service and who has resigned in good standing may be reinstated within one year of the effective date of resignation to a vacant position in the same or comparable class. For purposes of reinstatement, "good standing" shall mean that the employee was not terminated for cause under these personnel rules, did not resign in lieu of termination, provided the required amount of notice of resignation, and was evaluated at least as "fully meets job standards" or an equivalent rating on his/her last performance evaluation. No credit for former employment shall be granted in computing salary, vacation, sick leave, retirement benefits, or other benefits except on the specific written direction of the Personnel Officer at the time of reinstatement. Such reinstatement action may, at the discretion of the Personnel Officer, take precedence over any eligibility list except a reemployment list. An individual requesting reinstatement is required to successfully complete a background examination and physician's examination, as set forth in Rule VI.
- E. **Transfer**. The Personnel Officer may transfer an employee from one position to another in the same class or a comparable class at the same salary level. While the Personnel Officer retains the right to order the transfer, consideration will be given to the affected employee's and the Department Heads' wishes.

- B. **Authority to Make Evaluations**. The City Manager or his/her designee shall have the authority to prepare performance evaluations. Leave of absence without pay shall not be construed as a break in service or employment, and rights accrued at the time leave is granted shall be retained by the employee; however, vacation credits, sick leave credits, increases in salary and other similar benefits shall not accrue to a person granted such leave during the period of absence. An employee reinstated after leave of absence without pay shall receive the same step in the salary range he/she received when he/she began his/her leave of absence. Time spent on such leave without pay shall not count toward service for increases within the salary range, and the employee's salary anniversary date shall be set forward by an amount equal to the days of unpaid leave taken by the employee. Failure to Return from Leave. If an employee takes any action during his/her leave that is inconsistent with an intention to return to employment with the City, such as accepting full-time employment with another employer, he/she will be considered to have voluntarily terminated his/her employment. Failure of the employee to return to his/her employment upon the termination of any authorized leave of absence shall constitute an automatic termination from City service of that employee, unless such leave is extended.

L. Management Leave. As compensation for the unique nature of their jobs, the City provides Management Leave in the form of additional time off, as follows:

1. Employees in the executive classification, as defined in the Benefits Ordinance, shall receive 80 hours of management leave per calendar year.
2. Employees in the management classification, as defined in the Benefits Ordinance, shall receive 60 hours of management leave per calendar year.

Management leave shall vest on July 1st of each year. Management and supervisory employees hired during the fiscal year shall be credited with a prorated number of administrative leave hours based on the number of months of the fiscal year for which the individual is employed. One day worked in a particular month shall be considered as qualifying for that month.

Management leave cannot be carried forward from year to year, and any unused leave will be cashed out on June 30th of each year.

M. **Fitness for Duty Leave.**

1. **Purpose/Policy.** Employees are expected to report to work fit for duty, which means able to perform their job duties in a safe, appropriate, and effective manner, free from adverse effects of physical, mental, emotional, and/or personal problems. This Rule is intended to provide a safe environment and protect the health and welfare of employees and the public. If an employee feels that he/she is not fit to perform his/her duties, he/she must notify his/her supervisor immediately.
2. **Reasons for Fitness for Duty Leave.** A fitness for duty examination may be ordered in any of the following situations:
 - a. An employee returns from a medical leave of absence of more than five working days.
 - b. An employee is involved in the interactive process with the City under Rule III.C.
 - c. Supervisor observes or receives a reliable report of an employee's possible lack of fitness for duty. Observations and reports may be based on, but are not limited to, employee's own self-report of potential unfitness, dexterity, coordination, alertness, speech, vision acuity, concentration, response to criticism, interactions with the public, co-workers, and supervisors.
 - d. Fitness for duty examinations based on a reasonable suspicion that an employee is under the influence of illegal drugs or alcohol shall be conducted in accordance with the City's Drug-Free Workplace Policy.
3. **Procedures for Ordering a Fitness for Duty Examination.** When a supervisor becomes aware of or observes behavior that makes him/her reasonably suspect that the employee may not be fit for duty, the supervisor shall refer the employee to the Personnel Officer who will determine whether a fitness for duty examination is necessary and should be scheduled. If the circumstances warrant it, the Personnel Officer may place the employee on a paid or unpaid leave pending the results of the employee's fitness for duty examination. The examination shall be paid for by the City.
4. **Procedure Following Receipt of Examination Results.** The doctor examining the employee shall be limited to finding the employee "fit for duty" or "fit for duty with restrictions" or "unfit for duty." In the case of finding an employee fit for duty, the doctor may issue work restrictions. In no case shall the doctor reveal the underlying cause of the fit or unfitness for duty without the employee's permission.

- a. Fit for Duty. If the doctor finds the employee is fit for duty, the employee shall return to work immediately and perform all duties of his/her position.
- b. Fit for Duty with Restrictions. If the doctor finds the employee is fit for duty with restrictions, the doctor shall specifically list what restrictions are necessary and for how long those restrictions are necessary. If the employee's restrictions are based on a disability as defined by the ADA and/or FEHA, the City shall engage in the interactive process as set forth in Rule III.C. The City shall then evaluate those restrictions and determine if the restrictions can be reasonably accommodated.
- c. Unfit for Duty. If the employee is found to be unfit for duty, he/she shall not be permitted to work. He/She may request a leave of absence in accordance with the appropriate subsection of this Rule. If the employee can provide certification of fitness for duty prior to the exhaustion of all paid and unpaid leave that he/she is entitled to under these Personnel Rules, the employee shall be returned to work. However, if such certification is from the employee's own health care provider, the City may request a second opinion from a doctor of its choosing and at its cost to evaluate the employee under the requirements of this section. If the two certifications conflict, a third opinion will be sought from a doctor chosen by the City and the employee, at the expense of the City. The opinion of fit or unfit rendered by the third doctor shall be binding. If the employee's restrictions are based on a disability as defined by the ADA and/or FEHA, the City shall engage in the interactive process as set forth in Rule III.C.

RULE XII.LAYOFF/SEPARATION/RETIREMENT

- A. Layoff. Whenever, in the judgment of the City Council, it becomes necessary to abolish any position or employment, the employee holding such position or employment, may be laid off without disciplinary action and without the right of appeal, unless otherwise required by law.  1. Notification. Employees to be laid off shall be given, whenever possible, at least 14 days prior notice.
 2. Order of Layoff. In each class of position, employees shall be laid off according to the needs of the service as determined by the Department Head and the Personnel Officer.

3. Reemployment List. The names of persons laid off or demoted in accordance with this section shall be entered upon a reemployment list. Lists from different departments or at different times for the same class of position shall be combined into a single list. Such list shall be used by every Department Head when a vacancy arises in the same or lower class of position before certification is made from an eligible list or starting a recruitment. Names of persons laid off shall be carried on a reemployment list for one year, except that persons appointed to a position of the same level as that which laid off, shall, upon such appointment, be dropped from the list. Persons who refuse reemployment shall be dropped from the list. Persons reemployed in a lower class, or on a temporary basis, shall be continued on the list for the higher position for one year.
- B. Resignations. Resigning employees shall be required to file a written resignation stating the effective date and reason(s) at least two weeks prior to leaving the City's service, unless the time limit is waived by the City Manager. The resignation date should be the last day the employee actually worked.
- C. Terminations. The City Manager may terminate any employee at any time with or without cause and with or without notice.
- D. Retirement/Disability Retirement. In accordance with the City's contract with the California Public Employees' Retirement System (CalPERS), employees who meet the age and service credit minimums may qualify for a service retirement from CalPERS. Under CalPERS laws, an employee who is unable to perform his/her job because of an illness or injury which is expected to be permanent or last indefinitely, may be entitled to receive a disability retirement.

RULE XIII. ETHICAL STANDARDS

- A. Outside Employment, Enterprise, or Activity. In accordance with California Government Code Title 1, Division 4, Chapter 1, Article 4.7, no employees may engage in any outside employment, enterprise, or activity that is inconsistent, incompatible, in conflict with, or adverse to his/her employment, their ability to perform their duties and responsibilities, including performance of overtime work and emergency duties, or any other aspect of City operations.
 1. Employees are required to notify their Department Head in writing of all outside employment in which they are engaged, regardless of when that outside employment began, so that the City may assess whether such outside employment conflicts with the employee's City employment. An employee's outside employment, enterprise, or activity will be prohibited when any of the following are present:

- a. It involves the use for private gain or advantage of his/her City time, facilities, equipment and/or supplies; or the badge, uniform, prestige, or influence of his/her City employment;
 - b. It involves the receipt or acceptance by the employee of any money or other consideration from anyone other than the City for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of his/her City employment or as part of his/her duties as a City employee;
 - c. It involves the performance of an act, in other than his/her capacity as a City employee, which may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other officer or employee of the City; or
 - d. It involves the time demands as would render performance of his/her duties as a City employee less efficient.
2. When outside employment is reported to a Department Head, the Department Head shall notify the Personnel Officer of all pertinent details of the outside employment. The Personnel Officer shall determine whether the employee's outside employment conflicts with the performance of his/her duties, and shall advise the employee and the Department Head of his/her determination in writing. An employee who is unsatisfied with the decision of the Personnel Officer may appeal the decision to the City Manager. An employee wishing to appeal this determination must file a written appeal to the City Manager within 10 days of receipt of the Personnel Officer's decision. The City Manager shall meet with the employee and determine whether the employee's outside employment conflicts with the performance of his/her duties. The City Manager shall advise the employee, the Department Head, and the Personnel Officer of his/her determination in writing within 15 days of meeting with the employee.
- B. **Political Activities**. Consistent with the provisions of California Government Code Title 1, Division 4, Chapter 9.5, employees may not engage in political activity during working hours, while on City property on which members of the public would not be entitled to engage in political activities, or while in uniform.
- C. **Contracts and Conflicts of Interest**. In accordance with California Government Code Title 1, Division 4, Chapter 1, Article 4, no City employee can be financially interested in any contract made by him/her in his/her official capacity, or by any body or board of which he/she is a member. All employees of the City are required to adhere to the provisions of Article 4 of Title 1, Division 4, Chapter 1 of the Government Code.

- D. **Conduct During the Workday**. During the workday, employees are expected to devote their full time in the performance of their assigned duties. Any approved outside work, part-time job, hobbies, or personal business must be performed during off-duty hours. Off-duty hours include unpaid lunch break periods, but do not include other rest or break periods during which the employee continues to receive pay.
- E. **Employees with Access to Confidential Information**. In performing their duties, employees may have access to confidential information, including, but not limited to, employees' personnel files and the personal or financial information of other City employees or persons who do business with the City. In addition, some City employees will be involved in some communications with the City Attorney's Office, which can be protected by the attorney-client privilege. Employees with such access are required to keep such information confidential.
- F. **Solicitation of Political Contributions**. Consistent with the provisions of California Government Code Title 1, Division 4, Chapter 9.5, no City employee may knowingly, directly or indirectly, solicit a political contribution from a City employee, City officer, or person on an employment list. However, this does not prohibit City employees from requesting political contributions if the solicitation is part of a solicitation made to a significant segment of the public, which may include City employees. This also does not prohibit a City employee from soliciting or receiving political funds or contributions to promote the passage of or defeat of a ballot measure which would affect the rate of pay, hours of work, retirement, civil service, or other working conditions of City employees, provided that such solicitation cannot occur during working hours or while on City property. For purposes of this section, "contribution" means a payment, a forgiveness of a loan, a payment of a loan by a third party, or an enforceable promise to make a payment except to the extent that full and adequate consideration is received, unless it is clear from the surrounding circumstances that it is not made for political purposes.

RULE XIV. DISCIPLINARY ACTIONS

- A. **Reason for Disciplinary Action**. While the City maintains an at-will employment environment, the City also reserves the right to take disciplinary actions against any employee. Disciplinary measures may be taken for any good and sufficient cause. Cause may include, but is not limited to, violation of the personnel ordinance or of these personnel rules or any policies, procedures, personnel rules and/or regulations of the employee's department, any act of insubordination or act detrimental to the public service, refusal or inability to comply with the duties of the position occupied by the employee, or any other type of misfeasance, malfeasance or nonfeasance relating to his/her duties, office or position.
- B. **Types of Disciplinary Actions**. The City employs a disciplinary system, which includes a variety of levels of disciplinary actions, up to and including termination

of employment. However, nothing in this disciplinary policy should be interpreted in any way that would affect the employee's at-will employment status. Notwithstanding any provision of this policy, all employees may be terminated at any time, with or without notice, and with or without cause. The City may take any of the following types of disciplinary actions against its employees:

1. Verbal Reprimand. Verbal reprimand as a disciplinary action means the employee is informed of his/her poor performance or misconduct verbally by his/her supervisor.
2. Written Reprimand. Written reprimand as a disciplinary action means an official notification to the employee that there is cause for dissatisfaction with his/her services and that further disciplinary measures may be taken if such cause is not corrected. Official reprimand shall be given in the manner prescribed by the Personnel Officer. Reprimand notices shall be made a part of the employee's official personnel record.
3. Suspension Without Pay. Suspension without pay shall be a temporary separation from City service.
4. Reduction In Range. Reduction in step within range as a disciplinary measure is the withdrawal of increments granted for merit, efficiency and length of service. Reduction in pay shall become effective on the first pay period following the effective date of the disciplinary action.
5. Involuntary Demotion. Demotion without consent shall include a reduction in classification or rank, with commensurate reduction in salary.
6. Termination. Termination is the permanent dismissal of an employee from the City service by the City Manager.

C. **Authority for Disciplinary Actions**.

1. The Department Heads and/or City Manager shall have authority to take disciplinary action and they may delegate to certain of their subordinate supervisory employees the authority to make official reprimands. Only the City Manager may terminate employees.
2. The Personnel Officer shall be notified of any contemplated disciplinary action prior to the time it is taken.

D. **Notice of Disciplinary Action**. When disciplinary action is to be taken against an employee, the Department Head or City Manager shall notify the employee in writing of the disciplinary action to be taken, the reasons for the disciplinary action, and the effective date of such disciplinary action, if applicable. Because all employees are at-will, there is generally no right to challenge disciplinary action. However, in certain circumstances, the employee may be entitled to a name-clearing hearing before the Personnel Officer. If the employee satisfies the

criteria in Rule XIV.E.1., the City shall provide the employee with at least five days' notice of its intent to discipline the employee. During those five days, the employee may request a name-clearing hearing. If the employee does not request a name-clearing hearing, then he/she will have been deemed to have waived his/her right to said hearing. If the employee requests a hearing in accordance with Rule XIV.E., then the Personnel Officer will make all necessary arrangements for the hearing prior to imposing the disciplinary action. If the employee does not meet the criteria set forth in Rule XIV.E.1., then he/she is not entitled to any hearing, appeal, or waiting time before the disciplinary action is imposed on the employee.

E. **Name-Clearing Hearing.** In certain circumstances, an employee may be entitled to a name-clearing hearing before the disciplinary action is imposed by the City. In such circumstances, the employee will be entitled to a name-clearing hearing in accordance with this Section.

1. **Criteria for Entitlement to a Name-Clearing Hearing.** In accordance with state and federal law, when the following three elements are present, the employee is entitled to a name-clearing hearing:
 - a. A stigmatizing charge.
 - b. The employee's denial of the stigmatizing charge.
 - c. Public disclosure of the stigmatizing charge.
2. **Name-Clearing Hearing.** If the employee has satisfied all three criteria set forth in Rule XIV.E.1., then the employee is entitled to a hearing in order to clear his/her name. If the employee desires a name-clearing hearing, he/she must file a written request with the Personnel Officer within five days of receiving notice from the City of its intent to impose disciplinary action. Failure to timely request a hearing shall constitute a waiver of the right to a hearing. The hearing shall be before the Personnel Officer. The employee is not entitled to a full evidentiary hearing, but is only entitled to the opportunity to clear his/her name of the stigmatizing charge(s). All name-clearing hearings shall be held in private unless the employee requests a public hearing in writing.

RULE XV. GRIEVANCE PROCEDURE

A. **Purpose of the Grievance Procedure.** The grievance procedure shall be used to resolve employee complaints regarding an alleged violation or interpretation of the City's personnel ordinance or these personnel rules. Specifically excluded from the grievance procedure are:

The supervisor shall advise the employee of his/her decision within 14 days following notification of the grievance.
2. Step 2. Such submittal shall be in writing and include the original of the grievance form. The grievance must include a statement of the event causing the grievance; the personnel rule or provision of the personnel ordinance alleged to have been violated; the relief sought by the employee; and any potential witnesses. After receipt of the grievance, the Department Head will meet with the grievant and make such investigation as is required. Within seven days of his/her meeting with the grievant, the Department Head shall return the original of the grievance form to the employee along with his/her written decision on the grievance.
3. Step 3. If the grievance is not satisfactorily resolved in Step 2, the grievant may, within seven days of receipt of the Department Head's decision, submit the grievance to the Personnel Officer for consideration by the City Manager. Such submittal shall include the original of the grievance form; a statement of the event causing the grievance; the personnel rule or provision of the personnel ordinance alleged to have been violated; the relief sought by the employee; any potential witnesses; a written statement of any issues which are still in dispute; and the specific basis upon which the grievant takes issues with the position of

his/her Department Head. The decision of the City Manager is final and no further appeal may be had by the employee.

C. **General Provisions.**

1. No retribution or prejudice shall be suffered by employees making good faith use of the grievance procedure.
2. Failure by management at any step of this procedure to communicate the decision of the grievance within the specified time limits shall permit the grievant to proceed to the next step. The grievant shall be entitled to be present at all steps of the procedure.
3. Failure at any step of this procedure to appeal a decision on a grievance within specified time limits shall be deemed acceptance of the decision rendered, and the grievant waives all further appeal of the matter.
4. The time limits specified at any step in this procedure may be extended by mutual written agreement.
5. The original of the grievance form shall accompany all requests for institution of the next step in the grievance procedure, and shall be maintained in the employee's personnel file at the completion of the grievance procedure.
6. Communication with grievant shall be processed by personal signed receipt of document, certified mail or registered mail.

RULE XVI. EMPLOYMENT BENEFITS

A. **Health Benefits.** Accident, health, hospital, dental and vision insurance to cover non-occupational injuries and sickness for full-time employees will be provided by the City, as set forth in the benefits schedule.

An "educational course" may include courses that are in furtherance of a degree, other college-credit courses, or training. In order to be eligible for educational reimbursement, the employee must obtain written approval of the City Manager prior to enrolling in any courses. Educational reimbursement shall not exceed \$1,500.00 in any fiscal year, and is not compensation reportable for retirement purposes.

To obtain reimbursement after successful completion of the test/renewal/license process, the employee is responsible for submitting proof of payment for test fees, renewal fees, and license fees, along with proof of the certification or license, to the City Manager. In unusual circumstances, the City Manager may authorize the payment of the test/renewal/license fees in advance.

RULE XVIII. WORKPLACE VIOLENCE PREVENTION

- A. **Objective.** The City is strongly committed to ensuring the safety of all City employees. Consistent with this policy, acts or threats of violence, including intimidation, harassment, and/or coercion which involve or affect City employees will not be tolerated and will be subject to appropriate disciplinary action up to and including termination. The following are the objectives of the City:

1. To ensure all workplace threats and violent behavior are addressed promptly.
2. To ensure the level of physical and facility security in City workplaces is sufficient to protect the health and safety of City employees.
