Re: Letter claiming California Voting Rights Act violation

Dear Mr. Shenkman:

This office represents the City of Wildomar and I serve as the City Attorney. The City received your letter dated December 16, 2015 on December 21, 2015.

My office is reviewing your letter, along with voting and demographic information, and this issue will be presented to the City Council at their next regular meeting on January 13<sup>th</sup>. While I recognize the seriousness of the issues raised in your letter, my office will need time beyond January 4<sup>th</sup> to perform our own legal and factual research and then review this matter with the Council.

I will be available to discuss the matter with you in early January, and listen to any proposed options to resolve this issue, that I can then share with the Council. Once the Council has an opportunity to discuss this item and provide direction, I will be in a better position to further discuss the City's current election system with you.

Sincerely,

BURKE, WILLIAMS & SORENSEN, LLP
