LIABILITY RELEASE

I hereby request representatives of the City of Wildomar to provide a smoke alarm without charge to me. In consideration of this free service, I hereby release and agree to defend, indemnify, and hold harmless the City of Wildomar, County of Riverside, Cal Fire, or other affiliated groups/organizations, and its elected officials, members, officers, directors, agents, and employees of each of these entities from any and all liability, whatsoever, arising from said installation, including, but not limited to, all claims for injuries, death, or damages to any persons or property directly or indirectly arising out of malfunction of said smoke alarm. The maintenance of the smoke alarm and periodical replacement of battery for its proper function will be my sole responsibility and **not** of City of Wildomar, County of Riverside, Cal Fire or other affiliated group/organization. No follow-up visits for maintenance or battery replacement will be made. This liability release shall be binding upon me, my heirs, successors, and assigns. I understand that neither the City of Wildomar, County of Riverside, Cal Fire, nor other affiliated group/organization is obligated to perform this service as a matter of public duty or function required by law. I acknowledge that the smoke detector is being offered voluntarily and free of charge in reliance upon the fact that I am assuming the sole liability for the installation of such smoke alarm. This liability release is freely and voluntarily entered into by me. In so doing, I hereby specifically waive all rights under California Civil Code, Section 1542, which provides that: "a general release does not extend to claim which the creditor does not know or suspect to exist in his favor at the time of executing release which if known by him must have materially affected his settlement with the debtor."

"I authorize the City of Wildomar to supply smoke detectors and/or batteries for my home"
