**WILDOMAR CITY COUNCIL
SPECIAL NORMING SESSION AGENDA
OCTOBER 15, 2009**

PLEASE TURN ALL CELLULAR DEVICES TO VIBRATE OR OFF FOR THE DURATION OF THE MEETING. YOUR COOPERATION IS APPRECIATED.

- 1) Consideration of City Manager Goals for 2009.
- 2) Consideration of norming issues and procedures to assure open and direct communication between the City Council and the City Manager, including, but not limited to, the following general issues:

Clarity of Leadership

How will the City Council insure clarity of policy direction for the City Manager and staff?

How will the City Council distinguish the urgent from the important when scheduling the City Manager's assignments?

What's the difference between providing direction to the City Manager and "micro managing"?

When should Council Members discuss issues they have with the City Manager?

When should Council Members discuss issues/concerns they have with agenda items?

What is the difference from pulling a Consent Calendar item for discussion versus pulling the item?

3. Consideration of issues and procedures to assure a smooth and balanced process that properly allocates decision making power for land development in the City between the Planning Commission and the City Council. This discussion may include, but will not be limited to, the following:

PLANNING DEPARTMENT DISCUSSION TOPICS:

- A. Approval authority for planning projects.
- B. Receive and File requirement.
- C. Interim development projects: acceptable versus discouraged.
- D. Requirements for public improvements: All at once versus phased?
Arterial streets versus local streets?
- E. Restrictions/Prohibitions on new billboards?

Should the Planning Commission have more or less authority than presented in the Planning Application Approval Authority Matrix?

If the authority does not change, what process shall a single Council Member use to demonstrate their disagreement with a Planning Commission decision?

At our first norming session it was left open as to whether City Council should attend Commission meetings. Is this something that the City Council wants to address?

ADJOURNMENT

The next regular City Council meeting is scheduled for October 28, 2009.
