## **WILDOMAR DECLARES A LOCAL EMERGENCY**

### **WILDOMAR, CA**

Today City Manager Frank Oviedo declared a local emergency in the City of Wildomar at 5:30 PM based on an evaluation of the current conditions of the City due to the storm event and the potential for the conditions to worsen overnight as the next storm is expected to hit in the pre-dawn hours.

These actions will make the city eligible for emergency reimbursements in the event that additional costs are incurred as a result of the storm. Mayor Bridgette Moore stated, "Our staff is prepared for the worse but we are hoping for the best. It is important to move quickly to protect our resident's interest." City staff will be bringing this declaration to the entire Council as an emergency item at its regularly scheduled meeting tomorrow night to be ratified as required by State law.
