APPROVED FOR IMMEDIATE  
RELEASE BY: Frank Oviedo

**WILDOMAR, CA, OCTOBER 19, 2012**

In an effort to beat the inclement weather season on Monday October 22, 2012 the City of Wildomar will be making road repairs to various areas on Bundy Canyon Road east of Oak Circle Drive all the way to the Wildomar-Menifee border. If necessary, work may need to be completed on October 23. There are currently signs on Bundy Canyon Road informing residents and travelers when the work will be performed.

The project is scheduled in the evening hours to reduce the impact to Wildomar's residents. Safety traffic controls will be installed beginning at 8:00 PM. Bundy Canyon Road will then be reduced to one lane between 8:00 PM and 5:00 AM while the work is performed. Residents and travels can expect delays.

Using **Measure A** funds, which are restricted for road maintenance, the City Council appropriated \$170,000 in fiscal year 2012-13 to repair portions of Bundy Canyon where the road is in its poorest condition.

Mayor Benoit commented, "We are excited about getting repair work done on Bundy Canyon Road. I drive it just like our residents". Mayor Benoit further commented, "Bundy Canyon is the City Council's number one priority when it comes to roads and this will help while we plan for the permanent improvement in the future."
