## **CITY PROCLAIMS LOCAL EMERGENCY**

**WILDOMAR, CA**, The City of Wildomar proclaimed a local emergency on Thursday September 25, 2014 due to the severe storm and flooding from the September 16, 2014 storm event. This declaration is an initial step in seeking recovery funds for damages caused to public infrastructure. Initial costs are estimated at more than \$70,000.

The City is also seeking assistance in assessing private property damages from the storm event. At this time, the proclamation does not address individual assistance; however, the city has the opportunity to submit these costs. Should the City meet the threshold, reimbursement may be made available on a case by case basis. Private property owners can complete the Damage Assessment Form, which is located on the City's website, and submit it to [wildomarpw@cityofwildomar.org](mailto:wildomarpw@cityofwildomar.org). Completion of this form does not guarantee reimbursement. The deadline to submit is Monday October 6, 2014 at 5:00 P.M. For any questions, contact the Public Works Department at 951-677-7751x 219.
